HEALTH & SAFETY POLICY

MOVe Logistics Limited is committed to providing a healthy and safe workplace for all workers, contractors and other persons that may be affected by the work carried out.

Maintaining high standards of health and safety is everyone's responsibility

COMMITMENTS

- To ensure all team members exposure to harm is minimised or eliminated in the workplace.
- Continual improvement in Health and Safety through active participation of all team members.
- We will provide the necessary tools to meet the objective of the Health and Safety system and comply with current legislation, codes of practice and standards. Annual review of objectives will be undertaken.
- Fully committed to injury prevention and rehabilitation.
- Reduce accidents by identifying hazards and risks and either eliminate or minimise.
- Work with our customers and contractors for the safety of all team members.
- Engagement and consultation with our team members.
- Annual Objectives will be undertaken, agreed and actioned.

RESPONSIBILITIES

- All Team Members are accountable within their area of responsibility. We are all positive role models for health and safety.

REPORTING

- Any and all incidents, however trivial or significant will be promptly reported, accurately recorded, and actions taken to minimise/eliminate future repeat occurrences.

REHABILITATION

- We support the safe and early return to work of workers using our Return to Work rehabilitation plan.

AUDITING & OBSERVATIONS & REVIEW

- Conduct annual internal audits to improve our Safety performance.
- Safety and behaviour observations are to be undertaken.
- Annual review of Health & Safety policies and procedures.
- Results share with team members.
